K5–Grade 5 Uniform Style Guide Addendum: 2026–27 School Year

Last year, the school introduced a trial period allowing both khaki and navy blue uniform bottoms for students in K5 through Grade 5. In the spring, a parent survey was conducted to gather feedback on the policy. Based on the survey results, we will move forward with **khaki-only uniform bottoms** for students in K5 through Grade 5 for the foreseeable future.

Thank you to all families who participated in the survey and shared their input.

Parents, please help us ensure that students follow the school uniform policy. PCA fundraising merchandise and PCA sports team apparel are **not** part of the approved school uniform and should not be worn during the school day. We ask that students come to school dressed in the approved uniform attire each day.

If you ever have difficulty obtaining any of the required PCA uniform items, or if there is a financial hardship preventing you from purchasing them, please reach out to Inna (ifalceanu@pcama.org). We are happy to help and will do our best to assist your family.

Thank you for your cooperation and support. If you have any questions regarding the uniform policy, please do not hesitate to contact us.

Dress Code and Appearance Policy

The administration's guidelines for student appearance encourage adherence to biblical principles of modesty. The Providence Christian Academy Dress Code promotes unity and modesty by requiring official school uniforms. Core elements must be purchased from Lands' End, identified by an item number and style description (e.g., Lands' End Girls Plaid Jumper in Classic Navy Plaid - Item #527959BP1). The school provides an online purchasing portal with Lands' End for convenience.

Other uniform elements can be bought from any store, provided they match the style, cut, and color of the Lands' End pieces and are labeled "Lands' End or equivalent style." The Dress Code includes guidelines for pants, skirts, and other apparel. Photo examples and purchasing links can be found on the school website. For specific details, refer to the online PCA Style Guide.

Parent Responsibility

Parents/guardians are responsible to ensure that their student's attire conforms to the following standards. If a child comes to school in violation of the dress code, the parent/guardian will be notified. On a second violation, the parent/guardian will be expected to bring proper attire to school. The student may be removed from class until his/her apparel meets school standards. Students demonstrating non-conformity to the PCA dress code will be subject to disciplinary consequences.
